

**MONROE PLUMBERS AND PIPEFITTERS LOCAL 671
BENEFIT FUNDS**

October 20, 2005

Dear Member:

We have updated the health and prescription insurance cards to reflect a change in your contract number. Your contract number will no longer be your social security number. In the interest of protecting your privacy we have changed your contract number to a unique number which does not contain any part of your social security number.

These cards are effective November 1, 2005. Please destroy any other Monroe Plumbers and Pipefitters health insurance or prescription cards you currently have. **There is no change in benefits.** Effective November 1, 2005, present these new cards for health and prescription benefits to all providers. **This is extremely important as the computer system will no longer recognize your social security number as your contract identification.**

As always if you have questions or problems our office is available from 8:00am to 12:00pm and 1:00pm to 5:00pm and we will gladly provide individual help.

We look forward to continuing to deliver you and your family a comprehensive medical benefit.

Sincerely,
Ted A. Meyer
